

FIRST  
PRESBYTERIAN  
CHURCH

LOCKPORT, N. Y.

DIRECTORY  
1928

## FOREWORD

This directory is issued by the Session and the Sunday School for the information of our people. It is hoped that it will prove valuable to officers, teachers, workers and everyone connected or interested in the church.

With the best will in the world, and in spite of careful supervision many mistakes will appear herein. The co-operation of all is asked to bring to light these mistakes.

Many members' names are omitted whose place of residence is removed. This directory aims only to contain those who are close to the active work of the church.

The following key will be useful in using this book:

c—communicant member.

s—scholar in Sunday School.

Numeral—grade in Week-day School.

o—officer of church or church organization.

t—teacher in one of the schools of the church.

g—scholar at Gardner Chapel.

x—baptized child not otherwise listed.

No sign—member of congregation, adherent, contributor to the work, or participant in some phase of our church program, not otherwise listed.
